OHM INTERNATIONAL CORPORATION™

Founded in 1958, OHM International Corporation has earned acclaim as the foremost equipment and material supplier to industry worldwide.

With our focus on the global marketplace, OHM has witnessed many cultural, technological and logistical changes which have affected the supply chain and brought about a growing worldwide interdependence of industry and commerce.

Our proven ability to adapt and utilize the most efficient technology and planning to consolidate a wide scope of equipment and products from around the world, on time, and at the right price, gives our customers confidence that they will receive dependable cost-effective solutions whether developing a new large-scale project or facility, or simply supplying the daily needs of their operation.

This pamphlet provides a representative sample of the wide scope of products and manufacturers which are available to you through the services of OHM International Corp.

Our mission is to serve you with enthusiasm and prudence, to build a universal bond of solidarity, by cooperating in the work of our partners, suppliers and customers.
